The Fall Harvest Farm Share is a one-time-only bulk vegetable share designed to meet your household's vegetable needs for several weeks around the Thanksgiving holiday. For \$65, you will receive over 55 lbs of fresh, seasonal, organic produce, like carrots, beets, sweet potatoes, leeks, parsnips, onions, rutabaga, winter squash, cabbage, turnips, kale, collards, spinach, mixed salad greens and more! If you are interested in eating Next Barn Over produce for several months t/o the winter, we encourage you to purchase two or more shares.

Pick up will take place on the Tuesday and Wednesday before Thanksgiving alongside our annual Thanksgiving Farm Store. This is a festive community event where we will be offering other items for your Thanksgiving meal like: our famous homemadepies and pie crusts, local organic cranberries and potatoes, local cider, maple syrup, apples, butter, cream, and more. Additional farm veggies will also be available for sale.

There are a limited number of shares available on a first-come, first-serve basis. To purchase a Fall Harvest Farm Share, please complete the form below and return it to us with your payment. Please remember that this is a share of the farm's harvest and the amounts and types of vegetables may vary.
